**And What Have You**

By BOB CRAIG

We join all of the sports fans in this area in congratulating Robert Bolden for his performance at the State Track and Field meet in Austin this past Friday. As seems to be Bolden's habit this year he not only set a new meet record but also came away with high individual honors for the day.

Bolden set a new record in the long jump (it used to be called the broad jump but for some reason it seems to have been changed to the long jump) by surpassing any of his previous jumps by over two feet.

We were disappointed and know that Bolden was also in not being able to capture the first place ribbon in the 100. He just missed it by a hair as he got off to a bad start and still came in for a close second. His 9.6 time tied the old record but the winning time was 9.5 and a new record.

The tragedy at Kent State where four students were killed as militant students closed in on National Guard troops with bricks and stones seemed to be one of the main subjects of conversation for the past few days.

While we regret these deaths and our heart goes out to the parents of these youngsters, we can only say that it is amazing that it has taken this long for such a tragedy to happen. You can simply not have mob rule without violence. And in spite of all of their fancy slogans and supposedly justified causes—that is all that these students and non-students marching and demonstrating are after.

We really cannot blame the students for what is going on today—the blame must lie with the misguided leaders who encourage them and the adults who think they must listen to them.

Any honest adult can look back on his past and see that from the time he or she was between the ages of 16 and the early twenties that they thought that they knew more and actually knew less than at any other period of their lives. This is the time of your life when you are supposed to make all of your foolish mistakes and enjoy life before you have to settle down to worrying about how to support yourself and your family.

To us at least—this is where we have made our mistake because we have too many people taking these youngsters seriously.

This is not to imply that they are all just a dumb bunch of kids; but what it means is that they have not yet seen enough of life to effectively judge what is right and what is wrong; what is valid and what is not valid; what is possible and what is not possible.

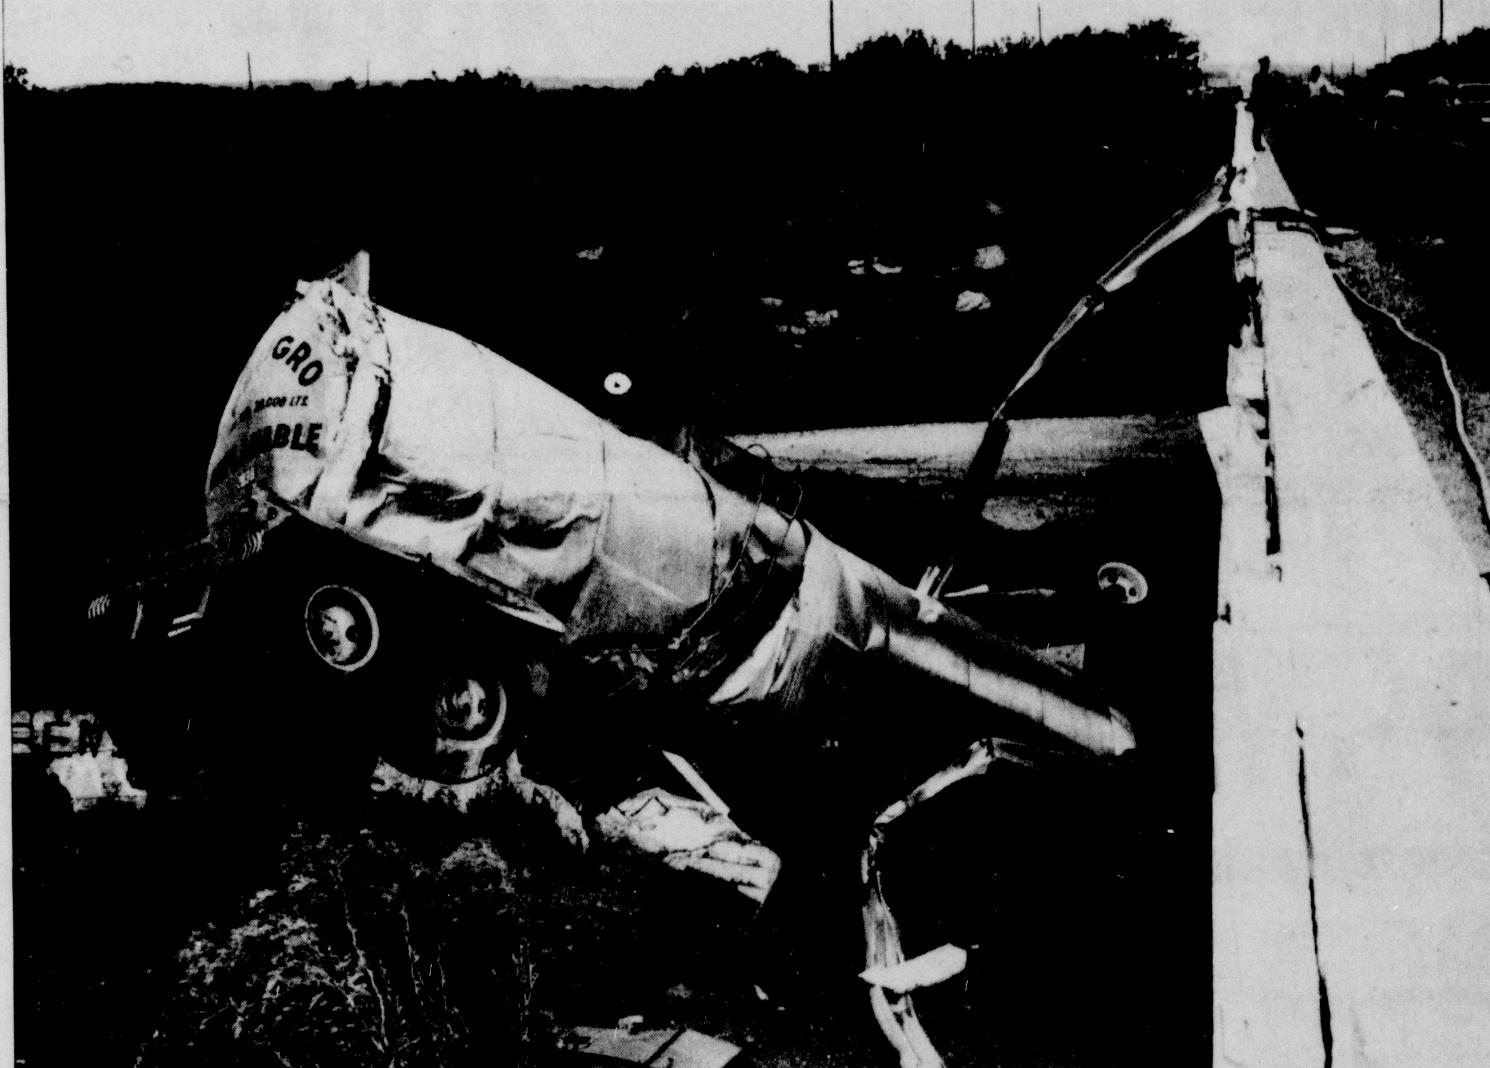

The youngsters need to go through this stage of trying to solve all of the world's problems but at the same time they need less attention in the process. And this is where the left wing professors and such people as Dr. Spock and some of our Senators are at fault. In the case of the politicians we feel that they are after votes and in the case of the professors we suspect that they are for the most part just feeding their egos.

As we say we cannot really blame the kids because we do not know what we might have done as a teenager had we had the opportunity to be in the spotlight that these kids have been in for the past few years. We know that we were probably obnoxious enough without this added encouragement.

The only answer now appears to be for some enlightened leadership to get these kids' energies funneled in a more productive direction. There is a lot of good that they can accomplish but they won't find it burning down colleges and demonstrating in Washington. Nor will they find it in drugs or in the use of foul four letter words.

ONE PASSENGER KILLED — Gayla Walton, 14-year-old Hamlin High School freshman, died shortly after being carried to Hamlin Memorial Hospital Tuesday evening after the car in which she was a passenger was run over by a gasoline transport. The accident happened at the "River Bridge" between Aspermont and Hamlin. The four others in the 1969 Pontiac escaped with minor injuries. The driver of the truck was dead on arrival at the hospital.

ACCIDENT KILLS TWO — The tractor-trailer gasoline transport pictured above landed below the Aspermont-Hamlin River Bridge after hitting a car driven by Mrs. Patricia Stephens which was turning into the roadside park at the bridge. The driver of the truck, Manuel Gonzalez, 47, of Laredo, who was attempting to pass, was killed. Also killed was Gayla

Walton, 14, daughter of Mr. and Mrs. Gene Walton, a passenger in the car. The truck went out of control after running over the left rear side of the car; struck the guardrail on the bridge and crashed into the ravine below. The driver of the car and three other passengers suffered only minor injuries. (Photos by Tim Jones, Hamlin)

## Fire Department, WTU Honored For Service At BCD Banquet

In a surprise presentation, the Hamlin Board of Community Development honored two longtime Hamlin organizations for meritorious service to the community at the annual BCD Banquet here Thursday evening. Outgoing President Johnny Bryant presented plaques to the Hamlin Volunteer Fire Department and to West Texas Utilities Company.

In making the presentation, Bryant noted the year's service performed by the Fire Department both as a fire fighting organization and as a community service organization. James Josey, president, received the plaque for the group which was represented by a large number of members seated at the center table.

The West Texas Utilities Company was singled out for their annual donation of time and electricity to decorate the downtown area each year for Christmas. Ned Moore, local manager, received the plaque for his firm. Bryant noted that the firm

has supplied this service for years and to the best of his knowledge had never been properly thanked by the community.

Barry Moore, incoming president, in his remarks of acceptance asked that each person in Hamlin make an effort this year to do at least one thing for Hamlin. "We have a wonderful place to live and let's try to make it better," he noted.

Dr. John C. Stevens, president of Abilene Christian College, and banquet speaker, expressed his concern about the leadership of the future. He noted that you see so many students today rioting and demonstrating for causes that are not worth their efforts. He said that even if they win their fight for such causes as pornography and obscenity — what have they won?

Dr. Stevens said, "The main thing worrying me is that if enough of the talented ones join in, what about the leaders of our nation 20 years from now?"

In pointing out that he feels we are not in as desperate shape as many people are saying, Dr. Stevens said that we must encourage intelligence.

## River Bridge Wreck Tuesday Kills Two

Two persons were fatally injured in a car-truck collision ten miles northwest of Hamlin on U.S. Highway 83 shortly before 6 p.m. Tuesday.

Gayla Walton, 14, daughter of Mr. and Mrs. Gene Walton, a passenger in a late model Pontiac driven by Mrs. Patricia Stephens, died about 30 minutes after arrival at Hamlin Memorial Hospital.

The driver of the tank truck, Manuel Gonzalez, 47, of Laredo was pronounced dead on arrival at the local hospital.

Both were taken by Foster Funeral Home ambulance to the hospital.

Passengers in the car were the driver, her 20-month old son, Trey, Cheryl Walton, 19, and Crystal Walton, 17, both sisters of the dead girl. Crystal was treated for lacerations

and released. Cheryl was hospitalized for observation. Mrs. Stephens was examined and released and her son was treated for lacerations and released.

According to witnesses, both the car and the truck were traveling south. After the impact the truck was under the bridge and the car was on the west side of the highway headed back north.

The tank truck, loaded with Pentane, is owned by Groendyke, whose headquarters are in Houston. The highly inflammable fuel had to be removed from the tank and during this process traffic was rerouted to Aspermont through Old Glory. The road was not opened until 4:15 a.m. Wednesday.

The investigation was under the direction of Highway Patrolman James Davis of Haskell. Other officers assisting were Jimmy Owens and C. A. Cockrell.

Volunteer fire departments from Aspermont and Hamlin were at the scene. Members of the Hamlin Civil Defense unit assisted enforcement officers in directing traffic.

A. E. Killion, local tank truck operator, handled the unloading operation.

Damage to the bridge has been estimated at over \$1,000. More than 150 feet of guard rail were torn away and the cement structure was damaged.

Two picnics were in progress at the road side park picnic site just yards from the accident but no one was injured. The Sophomore Class of Aspermont High School was at the east table. One bus load of the freshmen, sophomore and junior students from Hamlin High School were at the north picnic table. The other two buses of students were enroute there when the accident occurred.

Funeral services are pending in Laredo for Gonzalez. A funeral home ambulance carried the body to Laredo early Wednesday.

Services for Miss Walton will be announced from Foster Funeral Home.

Services for Miss Walton will be held at 2 p.m. today (Thursday) at First Baptist

Mr. Crowley said the new service policy would better meet the public's needs and help achieve greater efficiency and economy in all local postal operations. ## City Trucks Set Pickup Monday

The City trucks will begin picking up trash and debris from the annual clean-up campaign on Monday, May 25. Every resident is urged to have all the trash in containers on the alley that is to be hauled off.

Any item left in the alley will be picked up, according to sanitation officials. Residents are asked to remove anything from the alley that they do not wish to be carried off. This should be done before May 25 when the trucks begin the mass pickup.

The city authorities are urging everyone to take special pride in their own premises and keep the place clean.

CATCHING UP — Robert Bolden, center, makes an all-out effort to catch Sammy Dierschke in the 100-yard dash at the State Meet held in Austin Friday. Bolden got off to a bad start and was in sixth place at the midway point. His 9.6 finish was only inches behind Dierschke, whose 9.5 set a new record. Bolden set a new record in the Long Jump with a 24-1 1/4 and came in third in the 220 to be the meet's top individual and to tie for third in the team standings. ## Gorham-Smith Vows Exchanged

Wedding vows were exchanged Saturday at 2 p.m. in the chapel of First United Methodist Church in Corpus Christi by Margaret Ann Gorham and Marshall L. Smith Jr., both of Galveston.

The bride is the daughter of Mrs. Charles H. Gorham and the late Mr. Gorham of Bloomington. Parents of the bridegroom are Dr. and Mrs. Marshall L. Smith of Hamlin.

The double ring ceremony was read by the pastor, Rev. Will Mathis Dunn.

Given in marriage by her cousin, Vernon Williams of Houston, the bride wore a

gown of ivory satin faille, designed with vertical rows of val and guipure lace over the entire gown. In Empress silhouette, the gown was designed with a high band collar edged in val lace, and short puffed sleeves. From a yoke of English net, the fitted bodice was marked at the highrise by a belt of ivory velvet. The soft gathered skirt was worn slipper length. A soft bow of ivory velvet and matching val lace held the French silk illusion that cascaded over her shoulders.

The bride's bouquet was a cascade of mixed pastel spring

flowers and gardenias.

Mrs. David L. Perry of Corpus Christi, sister of the bride, was matron of honor.

Mike Smith, brother of the bridegroom, was best man.

The mother of the bride wore a coattress of pale blue raw silk with blue scarf accenting the neckline.

Mrs. Smith, mother of the bridegroom, wore a sea foam blue sheath topped with matching lace vest that extended to the hemline.

Gary Smith, brother of the bridegroom, seated guests.

The reception was held in the church parlor. Susan Shepard of Galveston and Marsha Sharp of Austin served. Mrs. Charles Morley of Galveston presided at the bride's book.

For traveling to Monterrey, Mexico, the bride chose an A-line dress of pink linen and white accessories.

After May 16 the couple will be at home at 2603 Broadway in Galveston where Smith is attending graduate school at the University of Texas Medical Branch.

The bride is a 1967 graduate of the University of Texas and is presently a physical therapist in the University of Texas Hospitals in Galveston.

The bridegroom was graduated from the University of Texas in 1967. He was a member of Sigma Chi fraternity in undergraduate school. He is presently a member of Nu Sigma Nu medical fraternity.

## FROM THE FILES . . .

FORTY-FIVE YEARS AGO  
(May 15, 1925)

The end of the school year will be marked by two formal programs, the Baccalaureate Sermon, on next Sunday night and the Graduating Exercises on the evening of May 22.

The Senior class chose a home pastor, Rev. G. T. Palmer, to deliver the sermon. Prof. L. Q. Campbell, of Abilene to deliver the graduating address.

Coming immediately after the day set as "Mother Day," the King's Daughters, of the Methodist Sunday School gave a most enjoyable banquet, Monday night at the church, entertaining in a very appropriate and impressive way fifty guests—fathers and sons of Hamlin.

The main auditorium of the church was beautifully decorated with large baskets of flowers and ferns, and was used as a reception room where the guests assembled and enjoyed a number of music selections by the High School Orchestra. Mrs. E. M. Wilson, teacher of the class invited the guests into the class room where a five course banquet was served.

While this was a "fathers and son" affair, yet "mother" was there in spirit—graceful bouquets of gladiolas and carnations, which had brought joy to hearts of many mothers the Sunday before, decorated the tables and made a setting the "fathers and sons" will not soon forget.

TWENTY YEARS AGO  
(May 12, 1950)

Brick shipments began arriving Monday for the new wing to the Hamlin Memorial Hospital.

Construction on the wing had been halted pending arrival of a particular brick that would match that in the original structure.

The brick are at the site and bricklayers are available for the work to proceed. No information was available from the contractor but it is believed by those identified with the hospital that work will commence immediately after the weather clears.

Completion of the addition will supply twenty additional beds for the hospital which has been seriously overtaxed in the months past.

The crucial sudden death play-off scheduled for District 6-A in baseball to decide the championship has been postponed because of Wednesday night rains.

# The challenge of being the only.

As any wise husband knows, no woman likes to be taken for granted. It's the little things that count, like remembering anniversaries, or bringing home flowers for no particular reason.

Like the wise husband we try not to take you, our customer, for granted. Being

5-3, late last week, established themselves as winners of the western zone in district 6-A and gained the right to contest Hamlin, winners in the eastern half.

The playoff was originally to be played Thursday night at 8:00 p.m. in the Hamlin City Park.

League rules dictate that a champion be established in the district by May 15 and this will force playing of the game by Monday night.

After the Wednesday night rain Superintendent I. R. Hutchinson was in communication with the Rotan authorities and a date was set for the game to be played Saturday afternoon at 2:30 at the Hamlin park. Should further rain interfere with playing on this date the game will be played Monday night at 8:00.

If Hamlin is the victor over Rotan, they will meet Dublin or Comanche in bi-district play for a place in regional play in the Ballinger area.

Regional play is as far as baseball championships are determined in Class A competition.

TEN YEARS AGO  
(May 12, 1960)

The Hamlin Future Farmers of America Chapter held their annual Father-Son Banquet on Monday evening in the Primary School Cafetorium.

Principal speaker was Rev. Leonard Hartley, pastor of the First Baptist Church.

Rotan, by winning over Snyder

the only phone company in town, we make a special effort to be courteous, kind, considerate, and understanding.

The fact that we are the only phone company in town is a challenge. The challenge is "not to act like it."

## A Life Saver

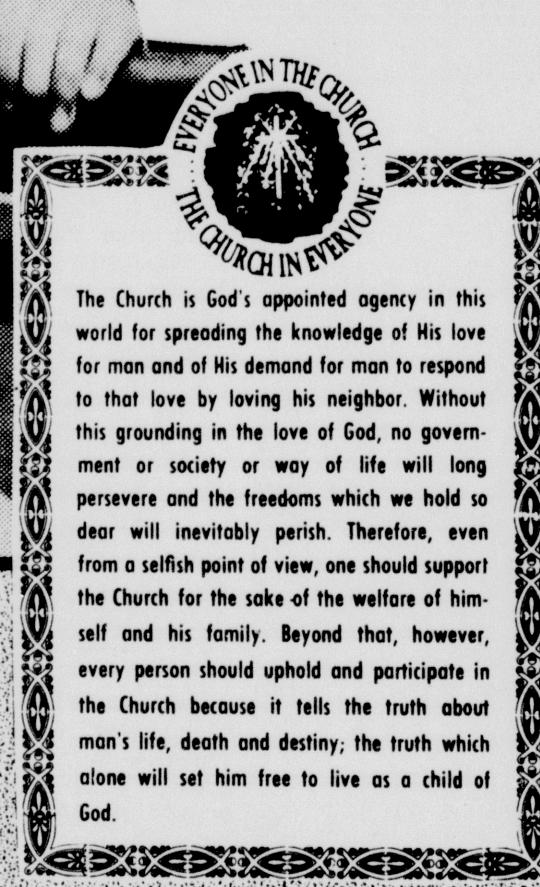

Parents would not dream of permitting their children

to venture out on the waters without some protection. Yet, only too many of these same

parents do not prepare their children for the dangers of everyday life. The Bible says:

"Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand."

Begin now, to safeguard your children by taking them to church.

### Hamlin High Happenings

## Piper Patter

by Mary Wallace Thomas Goolsby Toni —Casey The annual spring band concert was held last Friday night. The concert of lively music was enjoyed by all. This year a record of the concert is being made. The price of the record is \$3.50. Anyone wishing to purchase a record should contact Mr. Jones or some band member.

Last Thursday evening a supper was given by Mrs. Tim Jones in honor of the graduating seniors of the band. Those attending were Peggy Jones, Jan Young, Marcia Steele, Jana Ferguson, Mary Wallace, Rochelle Kincaid, Sandra Stanford, Norma

Morales, Don Colley, Charlie Shira, Chris Perrin, C. A. Jenkins, Gary Carson, Leldon Clinton, Thomas Goolsby, Mike Owen and Russell Willingham.

The spring all band party was held Monday at the Brazos River. The group ate and then played various games.

Several members of the HHS Piper band will journey to Austin on May 31 to participate in state U. I. L. solo and ensemble contest June 1 on the University of Texas campus.

The seniors of Hamlin High left last Tuesday at noon on their senior trip to Colorado. They will return

home late Saturday evening. Elections for Student Council officers were held last Wednesday. The candidates have been eagerly campaigning since the first of May. Results of the election were not known at press time.

The NHS met last week to elect citizens of the month and to discuss election of officers for next year. An election supper will be held in Gary Smith's home May 22.

Robert Bolden, Hamlin High track ace, participated in the state track meet last week-end in Austin. Robert was entered in the broad jump, the 100 and the 220. He won the broad jump with a 24-1 1/4 jump. This broke the state record which was set in 1957.

### BCD BANQUET-

Continued from page 1  
good will and humanity. There is more room today for people wanting to serve than ever before, he added.

He told the crowd that, pollution of hearts, souls and minds of men is worse than the other kinds of pollution.

Stressing the need for leadership for the future, Dr. Stevens pointed out three things he feels are needed to build this leadership — acquiring self respect, learning to think for themselves, and objectively.

He said that we need to teach our youngsters to be so self-respecting that they won't lie, steal or cheat. We need to teach them to think for themselves so that they will not just follow the crowd. He noted that this is a major problem in that most of the kids marching around today are just doing the in-thing.

In following up President Moore's request that each one do something for Hamlin, Dr. Stevens noted that too many people enjoy all of the blessings of a community without contributing anything. He said that as free men we are supposed to do some things that we are not required to do — this is the price we must pay if we are to remain free.

Among the projects promoted by the BCD during the past year, Bryant mentioned the new airport and noted that it was almost ready for use. He also remarked on the board's efforts to bring overnight delivery service to the local businesses from area points.

John Scarborough was master of ceremonies. The invocation was given by Douglas LeCroy, minister of the Hamlin Church of Christ. Rev. Marshall Stewart, pastor of the Church of the Nazarene gave the benediction.

The group singing of "America" was led by James Eddie Jay, accompanied with the piano by Mrs. Marvin Carlton.

Dinner music was presented by Tony Lewis, pianist.

Table decorations were May baskets of spring flowers prepared by members of the Hamlin Garden Club.

### Frank Allen Seeks Support In Run-off Bid

I would like to express my appreciation to all the voters of Precinct No. 2 who placed me in the Primary Run-off for County Commissioner of Fisher County. I am grateful for every vote cast and every word spoken in my behalf.

During April, she said, "so many of you, including the Jaycee-ettes, Beta Theta and Xi Gamma Pi sororities and other volunteers did such a good job of offering our people in Hamlin an opportunity to give to the Cancer Crusade."

If anyone was missed and would still like to give to the crusade they may call Mrs. Patterson at 576-3564 for it to be picked up or the gift may be left with Jean Dillard at West Texas Utilities Company.

One of the promotions of the campaign was to "Send a mouse to college for 27c." For this amount a mouse can be sent to college for use in cancer research.

The students in primary and elementary schools here gave enough money to send 208 mice for research. Mrs. W. W. Wallace was in charge of this phase of the local drive.

Mrs. Patterson said that \$1,480.00 had been given thus far, bringing the total to \$2,480.00. She said that the goal was to exceed the \$3,000 mark.

One of the purposes of the meeting was to elect new officers for 1970-71. Elected were A. C. Berry, Stamford, president; Mrs. Grady Flynt, Anson, vice president; and Mrs. Frances Swenson, Avoca, secretary.
